Review Entry

Errors ✖

- 2036 - Start\Primary Physician - You must enter Physician information for the bolded physician type
- 2136 - - Please enter the attending physician or lead clinician's ID
- Recipient is a required field.

Review ID: 11455405

Provider Name:

Audiology
 Outpt Diagnostic Imaging

- Once you make the appropriate changes, you will click on **“Check Key”** again until all errors have been resolved.
- If there are no errors, you will be prompted to verify the recipient’s home address and phone number and the next tab will generate for you to continue with your review.
